

100TH DAY OF SCHOOL

On Monday, January 20th we will be celebrating the 100th day of school. For our celebration, please help your child to bring 100 things to school. We will also center our activities for the day around the number 100.

We recently read the book 100th Day Worries, so they understand this project. The items need to be small and appropriate for school. Display the items in some way - such as glued to a poster board. **BE CREATIVE!!!** (See some examples below)

Please do not feel like you need to go out and buy anything. Use things you have around the house (stickers, candy, cereal, etc...). Please make sure the items are not heavy (i.e. - pennies, screws, toy cars, etc.) as they will not stay on the display nor the wall when hung in the classroom or hallway.

This project is due by Friday, January 20th but can be turned in before. Remember... have fun! I can't wait to see what you create!
